

All Are

Advent at Epiphany

Welcome

**We hope you feel welcomed by our community, inspired by the message
of Jesus today and excited to live that out in the coming week**

Welcome To Worship

WORSHIP

Worship is a big deal to us. Something happens in us and through us when we gather. Jesus said it this way: "For where two or three are gathered in my name, I am there among them." When we gather together for worship we can experience the presence of God in a way that we can't on our own. It isn't just about learning and it certainly isn't about getting on God's good side. Worship is a corporate way to personally experience (be in relationship with) God and others. Welcome!

NEW

If you are new to Epiphany we want to tell you a little about our us. We hope to be a church that focuses on the love of Jesus, invites you to follow Jesus in the way you live and seeks to spread that invitation to all people, including those in the LGBTQIA+ community, all family types, ethnicities, ages and social classes. We want to follow Jesus and passionately proclaim that his love is for all. If you wish to know more about our welcome and inclusion statement, visit us here.
